This special property, nestled on Lake Winnepesaukee, is owned and operated by a father and his three daughters. The Lakes Region holds a very special place in our hearts. All three daughters were born here, with Gilford as their childhood home. The family later moved to Santa Fe, NM, but returned every summer to enjoy life on Lake Winnepesaukee.

Over the years, one daughter returned home permanently, and Dad wasn't far behind. With a camp on Cow Island, the whole family continues to spend meaningful time together on the lake each summer.

Spring Harbor, purchased in 2018, has been evolving into a special lakeside getaway, and we are excited to share it with our guests. The Big Lake is perfect for family gatherings, getaways with friends, sun-filled days, relaxation, great food and drink, beautiful views, and so much more.

We hope you and yours make incredible, lasting memories during your stay on the lake, just as we have.
